(Statement of Claims)

In the month of April of 2022 the Walton County Jailhouse Admin "C Bailey" W107 moved me to what she referred to as in her own words as the "State Side Offender cell" Disregarding the fact that I am a "County Offender." On 5-12-22 I sent this Admin a Grievance In this Grievance I states that I was having problems with the "STATE" inmates on this zone explaining that more than once these problems had almost ended in them one me fighting. I ended my Grievance with a plea for this Admin to remove the problem inmate's B-13-22. The Walton County Jailhouse Admin "C Bailey" W107 responded to my Grievance on by saying "You ARE ON STATE SIDE ZONE, IF SOMEONE IS MOVED IT WILL NOT BE STATE SIDE OFFENDER"

This is Jail Everybody Can Not be Pleaseed....

(P.2)

This was this ignorant Jailhouse Admin's only
solution to a Grievance I Sent to her asking
and even pleading to Do Something to keep me
safe and all she was concerned with was keeping
inmates pleased rather then safe... 6-17-22

I Was Assaulted by these "STATE" Inmates this
Assault resulted in me going to the Walton County
ER, where I received stitches, was treated for Head
Injury, and Injury to my hip. After this assault
I Sent Grievances to the Walton County Jailhouse
Admin asking to speak with the Sheriff about
her worthless and unprofessional actions that led
up to this assault on me... The Walton County
Jailhouse Admin refused to notify the Sheriff that
I wanted to speak with him. I have Sent Grievances
asking that Criminal charges be placed on the
inmates who assaulted me on a zone that by
Mississippi law I should have never been placed on
to begin with. As of 8-22-22 The Walton
County Sheriff's Dept/Jail has not placed any
of the inmates who assaulted me under arrest.

Submitted on this

The 22 day of August 2022
